

SAINT PAUL'S FAMILIES

Advent in the Atriums

In the Catechesis atriums, our children begin the season of Advent by placing a purple tablecloth on the prayer tables and bringing out our Advent Wreaths. We prepare for the feast of Christmas by changing the liturgical color on the prayer table, marking the weeks of the church year on our liturgical calendar, and lighting a new candle each week to mark the nearing of our celebration of Jesus' birth. Advent is a particularly rich time for music in the atrium. The children love singing the songs which match the prophecies we read each week.

The children learn that the word Advent means "coming." In Advent, we are waiting to celebrate the coming of the baby Jesus in Bethlehem. We are also waiting for the second coming of Jesus. We talk about this time as Parousia, when God will be all in all and God's kingdom will have no end. We also talk about how Jesus comes to us daily in the reading of the Word, prayer, and in the Sacraments.

Please let us know if you did not yet receive the family devotional booklet we put together for Advent. The children will love to share a piece of their spiritual journey with you through connecting what we do in catechesis to the home.
